

Unto Their Illustrious Majesties, Wise King Styrkarr and Glorious Queen Stjarna.  
Unto Their Royal Highnesses, Prince Christian and Princess Helene.  
Unto His Excellency, Awesome Baron Finn.  
Unto the people of the great Barony of Dragon's Mist.

Do we, the Honourable Lady Mairghread inghean Dubhghaill mhic Cainnich and the Honourable Lord Eoghan ÓBriain, send warm greetings, and humbly bring our names forward as potential candidates for the Baronial Coronets of these resplendent lands of Dragon's Mist.

Our family has resided within the heart of this branch for over eleven years. We were involved with the growth of it as a Shire, and witnessed its metamorphosis into a Barony.

Should Your Majesties choose to bestow this heavy responsibility upon us, we intend to reconnect with the history and traditions that are the bedrock of the Barony while fostering new growth. We will encourage long standing members to share their knowledge and embolden our youth to take active parts in serving the Barony and AnTir.

Dragon's Mist was once known as a beacon of Heraldic expertise. We wish to revitalize the heraldic and scribal arts once more. Also, in service to the Dream, we will welcome new members and help them discover their place in the Society, through support of regular new comers' classes and demonstrations, both within our borders and in conjunction with our noble allies and neighbors.

It is with sincere gratitude that we thank You for finding us worthy of Your consideration, and hope to prove our willingness to serve the Glory that is AnTir in this fashion.

With the utmost respect and humility,

Mairghread inghean Dubhghaill mhic Cainnich and Eoghan ÓBriain
